February 2, 2011

Dear Scoutmasters,

It is with great excitement that we welcome to Merit Badge College 2011 at the University of Dayton. The brothers of Epsilon Tau Pi are pleased that you have decided to join us for this wonderful event. Enclosed in this packet of information is your Troop roster, a map of the University of Dayton campus, and a list of where each class will be located.

This year at Merit Badge College, there are 526 Scouts from 64 Troops.

The brothers of Epsilon Tau Pi would also like to thank you for your involvement and continued support. Each one of us looks forward to this point in the year, because it gives us a chance to give back to the younger scouts as they work their way towards Eagle, just as we were helped by those who came before us.

A reminder that the dates for MBC are February 12, March 12, and April 9.

There will be 3 adult classes offered, one class on each of the days. The first one will be on CPR/AED and will be taught by the UD Rescue Squad. It will be in Kennedy Union Room 311 from 10:00 to 12:00. The second will be on First Aid and again taught by the UD Rescue Squad. It will be in Kennedy Union room 312 from 10:00 to 12:00. These two classes both cost \$15 each. The last one will be a class on Scout skills taught by the brothers of Epsilon Tau Pi. Look for more information on when and where this class will be.

Check in on the first day will begin at 8:30 on February 12 in the lobby of Kettering Labs. Just a reminder that you can turn in the registration fee on that day. If you have questions about Merit Badge College, do not hesitate to email us at mbc_committee@epsilontaupi.org or call the Epsilon Tau Pi house at (937)- 627-6028.

Once again, we welcome you to Epsilon Tau Pi's Merit Badge College at the University of Dayton. We encourage you to promote Merit Badge College to other Scouts and troops that you know. We are always looking to expand our numbers and variety. We also encourage you to suggest merit badges to be offered in future years.

Sincerely,

Nick Fahrig
